RELEVANT EXPERIENCE

Hunter Crown, LLC

Dec 2011 – June 2016

Recruiting Team Leader

Sept 2012 – June 2016

Junior Recruiter (previously Job Tumbler, LLC)

Dec 2011 – Sept 2012

- Hired as the first employee and worked hand-in-hand with company founder in a management consulting and professional services firm. Company grew ~60% YoY revenue, and grew to a team of 6 before departure.
- Exceeded several annual goals and led recruiting team in total annual booking. Mentored and trained new employees, and provided leadership when delegated by principal.
- Heavily involved in the project planning for transitioning from JobTumbler, LLC with primary market in water, wastewater and desalination industry into refocusing on energy, cleantech, and global infrastructure development.
- Oversaw development of the new company website to increase traffic and brand awareness.
- Collaborated closely with Human Resources and Management to develop recruiting strategies for highly specialized management, revenue generator, and project delivery professional positions - while building and maintaining strong relationships with management teams and talent.
- Developed a rigorous process for finding and assessing talent; resulting in a higher quality talent pool submitted to hiring managers, and increased placement success rate.
